MEMORANDUM FOR THE RECORD

Morning Meeting of 27 May 1968

Godfrey advised that a Situation Report on the French situation will be produced this afternoon if the student demonstrations get out of hand or if the government's labor concessions meet with wide rejection.

Maury reported that Russ Blandford has the OXCART and SR-71 papers, the latter of which might cross with and is responsive to a letter from Congressman Rivers inquiring about the Washington Post SR-71 article.

DDCI advised that he will be speaking to the Armed Forces Staff College tomorrow morning.

25X1

DDCI indicated that the Intelligence Resources Board will hold an organizational meeting this afternoon.

The Director commented that the Vietnam SNIE is a very helpful document and expressed the hope that it will not be diluted during the coordination process.

The Director was informed by DD/I that it is now General Wheeler's move in connection with resolving differences over enemy strength figures in Vietnam.

The Director drew attention to the Sunday Washington Post article by Walter Pincus on the report of the Rusk commission.
